BUDGET BILLING PROGRAM

Participation in the Budget Billing Program is voluntary and is offered by Dean's Bulk Service to enable the customer to pay an equal amount for propane/fuel each month.

1. Requirements to participate in the program are:
 - a) Budget Billing is available to all residential customers with credit approval.
 - b) Customer's account must be paid in full to be eligible to participate.
2. The monthly payment will be based on an average of the past twelve months usage.
3. Customer's account will be checked periodically to determine if an adjustment to the monthly payment is necessary.
4. In June of each year, any amount due must be paid in full. The next twelve-month payment plan will be calculated at that time.
5. Failure to pay the budget-billing amount will terminate eligibility to participate in the program.
6. Monthly payment can be automatically withdrawn from your bank account on the 15th of every month.
7. Any account determined to be delinquent will be removed from the budget plan, balance will be due in full, or collection procedures will be implemented and no further deliveries will be made.

I have read and understand the provisions of the Budget Billing Program offered by Dean's Bulk Service and agree to abide by those provisions.
